Leaves available to students under University policies and procedures shall not be impacted by this Agreement, and the University reserves the right to modify all student leave policies and procedures at any time and at its sole discretion.

Section 1. Parental Leave. Bargaining unit members may request up to twelve (12) weeks of parental leave pursuant to existing University leave policies and procedures. Stipended graduate students who qualify for parental leave may take up to twelve (12) weeks of parental leave with no loss of stipend payments during the leave period.

Section 2. Medical Leave. Bargaining unit members may apply to take medical leaves pursuant to existing University policies and procedures, and as provided under relevant state and federal law.

Section 3. Military Leave. Bargaining unit members may apply to take a military leave pursuant to existing University policies and procedures, and as provided under relevant state and federal law.

Section 4. Jury Duty and Subpoenaed Appearance in Court. Bargaining unit members required to serve on jury duty must arrange for time away from their responsibilities with their supervisor when receiving their summons. Bargaining unit members who are subpoenaed to appear in a court case must arrange for time away from their responsibilities with their supervisor upon receipt of the subpoena. Time away for stipended graduate students shall be with pay and without loss of benefits, provided they make up lost work for the time by arrangement with their supervisor.

Section 5. Visa Renewal for International Students. International stipended graduate students may take up to ten (10) days of leave per year during winter break or summer to renew a visa if renewal is required to allow for a family visit or for another approved reason during those periods, provided that travel and visa renewal does not impact ongoing research or teaching as determined by their college. Students must also comply with all University international travel

requirements and take steps to streamline the visa renewal process, such as requesting any interview meeting in advance of travel, as a condition of the leave.

To the extent this article identifies benefits already available under existing University policies, graduate students shall not receive benefits under both this Agreement and under University policies. Any disputes arising under or from leaves or leave policies shall not be subject to the grievance and arbitration procedure.
